

Equipping Christians
to live out their unique
God-given purpose

Designed to Serve, NFP: Monthly Newsletter (Volume 3, Number 8)

Is your life fulfilling?

If you were to die tonight would you be able to say, "I really made a difference for Christ?" Would the world somehow be better because you walked on earth? Besides your family, is there something of your efforts that would live on despite your passing?

If so, celebrate the goodness of God. But the truth is that very few people could answer "yes" to all three of those questions. There's famous saying, "Only one life 'twill soon be past; only what's done for Christ will last."

Announcing a new coaching program

This fall *Designed to Serve* is launching a new program to coach Christians to know and live out the unique purpose God put them on earth. It will take you from uncertainty to IMPACT.

Participants attend eight 2-hour sessions either individually or in a small group. Each session includes some content, discussion, assessment, and application. You will come away knowing your spiritual gifts, passion, mission, and ministry.

A second-level coaching program is designed to help you step-by-step to live out your God-given calling.
