

Equipping Christians
to live out their unique
God-given purpose

Designed to Serve, NFP: Monthly Newsletter (Volume 3, Number 4)

What is your spiritual gift?

As a Christian, you were “designed to serve.” God created and equipped you to serve others through a specific assignment. Your task is unique – different from any other believer. God has equipped you with all you need to accomplish this mission.

Your main “serving equipment” is your spiritual gift(s). Your “gift” is how the Holy Spirit tends to work through you to serve others. Examine your life. How does God tend to use you to serve others?

- Is it teaching?
- Encouraging?
- Helping out wherever needed?
- Sharing a specific message from God?
- Recognizing motives as good or evil?

These are only 5 of the 21 gifts specifically listed in the New Testament. Which one or more is yours? How can you find out?

We can help!

Designed to Serve can help you identify your spiritual gift(s) through several formats - one-on-one, seminars, and retreats. Our unique card-sorting process is biblical, effective, and fun. Contact us
