

Equipping Christians
to live out their unique
God-given purpose

God created you for a reason

You have a mission from God - one only you can fulfill. He's given you everything you need for this task - your abilities, spiritual gifts, and interests.

Every experience of your life has taken place for a reason. God has been equipping you for your assignment.

So how do you know your assignment?

God reveals your assignment; *you* can't "figure it out." But here are five things you can do:

- Build your relationship with God; it's about *relationship*.
- Allow God to build your character; it's about *who you are*.
- Ask God for your assignment; it's about *trusting Him*.
- Serve in many ministries; it's about *your spiritual gifts*.
- Review your life story; it's about *God at work*.
