

May 2010 (Vol. 2, No. 5)

"[Russia] is a riddle wrapped in a mystery inside an enigma." ~Winston Churchill

Teaching in Russia

Steve will travel to Russia from May 13-31 to teach a spiritual gifts course at a Russian seminary. The hosts have asked that the city and the seminary not be mentioned. Why? Once again the Russian government is harassing churches and individual believers.

Twelve pastors and church leaders will attend the two-week course. It will be videotaped for access on the internet. The plan is to select 6 churches to send 2 representatives each to the seminar. Steve will work with the pastor and church leader to implement a spiritual gifts program in their congregations.

Please pray for that God will strengthen and protect our brothers and sisters in Russia. Please pray for me, too, that God will work through me to impact the participants.

Seminar Held at Willow Creek North Shore

On May 1 our 4 hour *Know Your Design: Spiritual Gifts* seminar was held at this regional campus of Willow Creek Community Church. The seminar is fast-paced, fun, and interactive with card-sorting exercises and table discussion. Participants identify their spiritual gifts, area of interest, and best fit ministry opportunity. [Contact us](#) if your church is interested in hosting a seminar.

Why Spiritual Gifts Are Important

God has given at least one spiritual gift to every believer for the common good of the Church. He expects believers to use their gift(s) to serve one another. When everybody does their part, the church becomes more united, mature, and effective. Contact us if you're not sure what gift(s) God has given you.
