Teaching in Russia

I spent 19 days in Russia teaching a seminary course on spiritual gifts. Fifty 30-minute sessions were recorded for distribution in 22 countries. The content will be dubbed from English into the various native languages.

Designed to Serve will own the U.S. copyright and will make it available sometime in 2011. This opportunity demonstrates that God "is able to do immeasurably more than all we ask or imagine."

I also spent a long weekend as a tourist in Moscow. For a boomer like me, growing up during the Cold War era, it was incredible to be walking around in the Kremlin and Red Square. Thanks to those who prayed for me during my trip.

Do You Know What Your Spiritual Gifts Are ... Really?

We offer curriculum that helps you identify your spiritual gifts. It's NOT a test! Instead, it uses a series of card-sorting exercises to help you recognize how God has been using you to serve others.

For a limited time only "Know Your Design - Spiritual Gifts" is available for \$9.00 without any shipping charges. For further information please click this link: [For information and ordering.](#)

Also for a limited time, a **free consulting session** will be available by phone with either Steve Lake or Jimmy Kim to guide you through the process.
